Learn what is required to install, maintain and repair electrical equipment the INTEC way! The law allows only qualified electricians to connect cables to electrical motors and switchgear as well as to handle electrical wiring of all electrically equipped buildings.

**Entrance Requirements**
- N1: Grade 9 (Std. 7) with Mathematics and Physical Science, or equivalent.
- N2: N1 National Certificate or equivalent.
- N3: N2 National Certificate or equivalent.

**Course Content**
- **N1**
  - Electrical Trade Theory
  - Mathematics
  - Engineering Science
  - Add any one of these:
    - Industrial Electronics
    - Engineering Drawing

- **N2**
  - Electrical Trade Theory
  - Mathematics
  - Engineering Science
  - Add any one of these:
    - Industrial Electronics
    - Engineering Drawing

If you successfully pass Electronics NTC2 and also pass the "Practical Trade Test", you become a qualified electrician after having served for at least 18 months in the field. The theory provided in the INTEC Electrician NTC material will empower you to get maximum value from the practical requirements of the trade.

- **N3**
  - Electrotechnology
  - Mathematics
  - Engineering Science
  - Add any one of these:
    - Industrial Electronics
    - Engineering Drawing

By successfully completing Electrician NTC3 you put yourself on the road to becoming an Electrical Technician. To successfully become an Electrical Technician you will have to go onto to complete an NTC4, NTC5 and NTC6.

**Assessment**
- You will be assessed by means of INTEC tests and a Department of Higher Education and Training Examination per subject.

**Award**
- Upon successful completion of your exams you will be awarded your National Technical Certificate.

**Examination Information**
1. Exams are held at selected public Further Education and Training Colleges in April, August and November.
2. Contact your local exam centre early to ensure your place in the exam.
3. Fees paid to INTEC College are for tuition only. In addition to these fees it is necessary for you to pay examination entry fees and registration fees to the examining body, the Department of Higher Education and Training.
4. You need a Term Mark to register for an NTC examination. To enable us to compile a Term Mark, you must submit at least 3 test papers per subject to the College before the Term Mark closing date.
5. No late exam entries will be accepted.
