GUIDE TO COURSE FEES

When can I enrol?

INTEC has no set semesters, so you can start your studies when it suits you! Should you be doing an examination course, simply indicate this on your Enrolment Form. Exam fees are not included in course fees.

How do I enrol?

Enrolling at INTEC is as easy as A, B, C.

- A Read the brochure and decide on your course.
- B Complete the enrolment form and be sure to read the Terms and Conditions of the Agreement on the back of the Enrolment Form carefully.
- C Send your completed Enrolment Form and payment to INTEC using the pre-paid envelope provided.

How does my employer sponsor me?

Many companies sponsor the studies of their staff either in full or in part. Why not mention your studies to your employer? Remind them that they can claim from the Skills Levy Fund for investing in their employees' education. To do this, they will need to quote INTEC's FET number: FET 00037 PA.

How do I pay?

First you have to decide whether you want to pay upfront, or in monthly instalments. You'll notice that the upfront amount is considerably less than the monthly instalments added together, so take a minute to decide which works best for you.
