

INTEC TERMS & CONDITIONS

1. You need to qualify for and register for the course listed in this promotion in order to qualify for the free INTEC Certificate in Developmental Psychology programme
2. This offer is valid until 30 September 2018.
3. All required documents must be handed in and registration finalised before 30th September 2018 to qualify for the offer
4. The Easy Payment Plan option is subject to credit vetting and affordability approval
5. Increasing your deposit percentage will reduce your instalment in the event you choose the easy payment plan
6. The student is required to be registered with Intec and have paid the full deposit and registration fee on or before 30 September 2018 to qualify for the Free INTEC Certificate in Developmental Psychology programme
7. Students who register at any Intec branch in person and pay in cash for the course registered for receive a 10% discount on their fees.
8. If the full fee is not paid upfront then a compulsory debit order has to be signed for payment by way of monthly instalments. Students utilising this option do not qualify for this promotion.
9. In the event of the Easy Payment Plan option, should the student/sponsor default on any payments they will immediately forfeit their right to the Free INTEC Certificate in Developmental Psychology programme
10. Your course content will be sent to you on a USB Flash Drive (where applicable)
12. You are solely responsible to obtain your textbooks and/or kit items (where applicable)
13. You are not allowed to use this offer in conjunction with any other special that INTEC College has on offer
14. Any applicant under the age of 18 requires the written consent of his/her parent/guardian and or surety/sponsor
15. In addition to these terms and conditions all the normal terms and conditions in respect of all student registration as contained on the website and on the registration form apply content the student acknowledges that he/she has read, understood and agrees to abide by
16. Students will be registered for both courses concurrently.
