## Discover the harmony positive energy brings

For centuries the Chinese have implemented the principles of Feng Shui to create a balanced living environment. Now you too can discover the art of this intriguing tradition and employ it in your own life, as well as use your skills to consult in other environments, from homes to office blocks!

For the very first time ever, a course has been developed to teach you the principles of Feng Shui – where decoration, design and space arrangement combine to create a place of tranquillity, and where positive energy fields enhance lifestyles and working environments.

Are you ready to embark on this fascinating and fulfilling journey with us? You will not only discover the ancient art of balance, but you'll also enrich your own life and see your surroundings in a whole new light.

## Career Opportunities

Since this is the VERY FIRST Feng Shui correspondence course ever to be launched in South Africa, it is sure to open many doors for you.

- If you are already consulting as an interior decorator, this new skill will broaden your offering considerably.
- If you are new to the interior decorating business, you could start off by offering your expertise to established interior designers as an added value service for their customers.  
In time, and with harmony and positive energy you could be running your OWN interior design business!
- With this course you will be taken seriously by corporate institutions seeking to re-energise and balance their working environments, but many private customers will also seek your services in creating a well-balanced home environment.

There is nothing more fulfilling than influencing someone's life in a positive way.

## Programme Type

The INTEC Feng Shui Consultant Diploma is part of the INTEC Job Creator Series. The INTEC Feng Shui Consultant Diploma is an INTEC Diploma, which is not an accredited NQF qualification.

### Programme Types offered at INTEC College

**NQF** National Qualifications are credit-bearing qualifications registered on the NQF (National Qualifications Framework) and accredited by a Quality Assurance Body, such as a SETA (Sector Education and Training Authority). A skills programme is an accredited component of a national qualification.

**Agent Programme** Agent Programmes are programmes for which INTEC offers tuition, but where INTEC does not issue the final certificate. The Agent body issues the final certificate and manages the final examinations.

**INTEC Programme** INTEC Programmes are INTEC's own programmes that are not linked to the NQF and are not credit-bearing. However, they are in high demand and carry the approval of the INTEC Academic Board. INTEC Programmes fall into FIVE categories:

- Career Programme** • INTEC Career Programmes are INTEC's own programmes that are designed to teach you the skills and knowledge to succeed in a particular career.
- Career Booster** • INTEC Career Booster courses are continuous professional development (CPD) short courses that help you add to your current professional knowledge in a particular field, and hence boost your abilities within your career.
- Career Starter** • INTEC Career Starter courses are short courses that introduce you to a particular field or career; and that offer you the opportunity to explore an interest or a skills set without having to enrol on a full programme.
- Job Creator** • INTEC Job Creator courses were designed to refine your skills in a particular field of interest; to teach you how to make a living from a particular skill, interest or hobby, and to help you start your own business.
- Self Enrichment** • INTEC Self-Enrichment courses are offered for self-enrichment purposes. They will add value to your experience of life in a particular chosen field of interest.

## INTEC Interior Decorating Diploma

Use your creative talent in the exciting world of Interior Decorating...

Job  
 Creator

Imagine what fun you'll have transforming your own home; creating lovely interiors for clients and suggesting clever ideas to friends with décor problems to solve. Whether you're looking for a rewarding career or a stimulating hobby, Interior Decorating is the answer. Meet interesting people, surround yourself with beautiful things, enhance your enjoyment of the world around you and enjoy creative satisfaction. Our carefully designed course will teach you all you need to know and will develop your artistic flair at the same time.

### Fun and creativity

You can have fun creating a lovely home that expresses your individuality. Redecorate whole rooms. Make changes step-by-step. Help friends with ideas and plans for their homes. Earn extra income working from home and specialise in small domestic décor jobs or tackle complex decorating projects.

### Break down any decorating job into manageable parts

Learn the first steps to take in approaching any decorating job, no matter how big or small. The unique Clients Needs Analyser will help you to identify what décor is best suited to your client.

### Specialist knowledge to create beautiful interiors

Build your knowledge of the major aspects to consider when planning any room. Everything you need to know about floors, walls, windows, furniture, fabrics, lighting and accessories is covered. A special section on low cost decorating will develop your expertise in creating beautiful effects on a small budget.

### Practical, hands-on projects to sharpen your skills

Exciting projects allow you to put what you've learnt into practice. By working with sample charts and scale drawings, you'll create a design plan on paper to submit to your tutor for marking and comments.

## Professional secrets and the magic of colour

Once you know the secrets of the colour wheel you can create colour schemes that make a room come alive. Discover the elements and principles of design; how to use space to its best advantage; how to mix and match fabrics and produce colour charts to assist visualisation and decision-making.
