Zulu Intensive

CD-ROM Based Course

The course is aimed at Beginners. Anyone with access to a PC with CD-ROM facilities should try this new, fun and easy approach to second-language learning. It will appeal to family members, students, politicians and business executive.

Large corporate organisations who wish to promote an understanding of the Zulu culture and language amongst their employees, would find it most useful.

Programme Type

The Zulu Intensive programme is a **Provider Programme**. INTEC offers three types of programmes, namely National Qualifications, Provider Programmes, and Agent Programmes:

National Qualifications are credit bearing qualifications registered on the NQF and accredited by a Quality Assurance Body.

Provider Programmes are unique to INTEC and are designed to increase and enhance your skills and knowledge within your chosen field.

Agent Programmes are programmes and qualifications for which INTEC offers tuition, but where INTEC does not issue the final certificate (the agent body issues the final certificate).

For more information about the types of programmes that INTEC offers, please see the INTEC General Brochure.

Zulu Intensive (CD-ROM)

About the Course

Your INTEC study units are used in conjunction with the internationally acclaimed "Speak Zulu with Us" CD-ROM and textbook. Designed by experts in the field of programming and Zulu teaching, this multimedia course, makes use of the latest teaching technologies. Video, sound and cleverly designed Interactive Activities help you to learn Zulu at home, in your own time, and at your own pace. You also have the benefit of repeating the sound and video material until you have mastered it.

Your CD-ROM, "Speak Zulu with Us"

Lively video clips and colour graphics combined with sound and music bring the language to life. The interactive self-recording facility lets you practise your conversational skills in private while you gain confidence and fluency. Easy to follow explanations and activities help you to understand the language structure and consolidate your learning. Plus you get immediate feedback on all the exercises you do on CD-ROM.
