Build your future the INTEC way

Quantity Surveying

Anyone who is considering building or investing in construction projects requires expert advice on financial and contractual matters. No matter how simple or complex the project may be, as a Quantity Surveying Assistant you will provide valuable cost management advice throughout the various stages of the project development.

By preparing Bills of Quantities and detailed specifications, you will bridge the gap between design and construction, ensuring a smooth running and successful project.

Programme Types offered at INTEC College

NQF
National Qualifications are credit-bearing qualifications registered on the NQF and accredited by a Quality Assurance Body, such as a SETA. A skills programme is an accredited component of a national qualification.

Provider Programme
INTEC Provider Programmes are INTEC's vocational certificates and diplomas that enhance your skills and improve your career opportunities. Provider Programmes are not linked to the NQF, but they are in high demand and carry the approval of the INTEC Academic Board.

Agent Programme
Agent programmes are programmes for which INTEC offers tuition, but where INTEC does not issue the final certificate. The agent body issues the final certificate and manages the final examinations.

Career Booster
INTEC CareerBooster courses are continuous professional development (CPD) short courses that help you add to your current professional knowledge in a particular field, and hence boost your abilities within your career.

Career Starter
INTEC CareerStarter courses are short courses that introduce you to a particular field or career, and that offer you the opportunity to explore an interest or skills set without having to enroll on a full programme.

Job Creator
INTEC JobCreator courses were designed to refine your skills in a particular field of interest, to teach you how to make a living from a particular skill, interest or hobby and to help you start your own business.

Self Enrichment
INTEC Self-Enrichment courses are offered for self-enrichment or job-seeking purposes. They will add value to your experience of life and of a particular chosen field of interest.

Certificate in Introduction to Quantity Surveying

Provider Programme

Programme Type

Introduction to Quantity Surveying is a Provider Programme

Entrance Requirements

Grade 10 (Std 8) with Mathematics and Technical Drawing. Should you not meet the minimum requirements, but have 2 years relevant work experience, please contact the nearest INTEC branch to apply for possible access.

Course Duration

You should be able to complete this course within 18 months.

Course Content

- Bills of Quantities
- Construction
- Practical Taking off

Assessment

You are required to write an exam per subject. Please note that there are exam sittings in June and October of each year. You will need to submit an examination entry form, together with the prescribed fee to the College before the closing date for the next examination.

Award

On successful completion of the course, you will receive your INTEC Certificate in Introduction to Quantity Surveying.

Introduction to Quantity Surveying Short Courses

Career Starter
