Fashion Drawing

Start your career in fashion by learning to draw fashion figures in an easy step-by-step way!

If you are innovative and creative and would like to learn a highly marketable skill that will allow you to tap into your creative side – one that opens up numerous career opportunities – INTEC College's new Fashion Drawing course is just what you need.

This course will teach you in a comprehensive step-by-step way how to draw fashion figures of women, men and children, and figures for stage and screen. You will learn the latest proven creative methods of communicating fashion designs through text and illustration, as used by the fashion and clothing industry internationally.

Programme Type

The Fashion Drawing programme is a **Provider Programme**. INTEC offers three types of programmes, namely National Qualifications, Provider Programmes, and Agent Programmes:

National Qualifications are credit bearing qualifications registered on the NQF and accredited by a Quality Assurance Body.

Provider Programmes are unique to INTEC and are designed to increase and enhance your skills and knowledge within your chosen field.

Agent Programmes are programmes and qualifications for which INTEC offers tuition, but where INTEC does not issue the final certificate (the agent body issues the final certificate).

For more information about the types of programmes that INTEC offers, please see the INTEC General Brochure.
